 - b. Delivery schedule offered in the tender;
 - c. Deviations in payment schedule from that specified in the Special conditions of contract.
 - d. The cost of components, mandatory spare parts and service.
 - e. The availability in India of spare parts and after-sales services for the goods/ equipment offered in the tender,
 - f. The availability in India of spare parts and after-sales services for the goods/ equipment offered in the tender;
 - g. The performance of productivity of the equipment offered
- 23.4 Pursuant to ITT Clause 23.3, one or more of the following evaluation methods will be applied;
- a. Inland Transportation, Insurance and Incidentals;
 - (i) Inland transportation, insurance and other incidentals for delivery of goods to the final destination as stated in ITT Clause 9.2 (iii). The above costs will be added to the tender price.

Signature of Tenderer

b. Delivery Schedule;

- (i) The Purchaser requires that the goods under Invitation for Tenders shall be delivered at the time specified in the Schedule of Requirements. The estimated time of arrival of the goods at the project site should be calculated for each tender after allowing for reasonable transportation time. Treating the date as per schedule of requirements as base, a delivery "adjustment" will be calculated for other tenders at 2% of the ex-factory price including excise duty for each month of delay beyond the base and this will be added to the tender price for evaluation. No credit will be given to earlier deliveries and tenders offering delivery beyond 3 months of stipulated delivery period will be treated as

unresponsive.

c. **Deviation in Payment Schedule;**

The Special Conditions of Contract stipulate the payment schedule offered by the Purchaser. If a tender deviates from the schedule and, if such deviation is considered Acceptable to the Purchaser, the tender will be evaluated by calculating interest earned for any earlier payments involved in the terms outlined in the tender as compared to those stipulated in this invitation, at a rate of 4 percent per annum.

d. **Cost of Spare Parts;**

(i) Appendix to the Technical Specifications lists the items and quantities of major assemblies, components and selected items of spare parts, likely to be required during the initial 03 years period of operation of the plant. The total cost of these items and quantities at the unit prices quoted in each bid will be added to the tender price.

OR

(ii) The Purchaser will draw up a list of high usage and high value items of components and spare parts along with estimated quantities of usages in the initial 03 years period of operation. The total cost of these items and quantities will be computed from spare parts unit prices submitted by the Tender and added to the tender price.

OR

(iii) The Purchaser will estimate the cost of spare parts usage in the initial 03 Years period of operation, based on information furnished by each tenderer as well as on past experience of the Purchaser or other Purchasers in similar situations. Such cost shall be added to the tender price for evaluation.

OR

e. **Spare Parts and After Sales Service Facilities in India;**

The cost to the Purchaser of establishing the minimum service facilities and parts inventions, as outlined elsewhere in the tender documents, if quoted separately, shall be added to the tender price.

f. **Operating and Maintenance Costs;**

Since the operating and maintenance costs of the equipment under procurement form a major part of the life cycle cost of the equipment, these costs will be evaluated as follows;

i. Fuel costs shall be based on kms/ hours of operation per year for..... years at a fuel price of Rs.....

ii. spare parts costs shall be based on kms/ hours of operation based on the guaranteed figures provided by the Tenderer in response to of the Technical Specifications or based on past actual figures for similar equipment already in use with the Purchaser, and

iii. all future costs will be discounted to present value at a discount factor of 10 percent.

Signature of Tenderer

Performance and Productivity of the Equipment;

(i) Tenderers shall state the guaranteed performance or efficiency in response to the Technical Specification. For each drop in performance or efficiency below the norm of 100, an adjustment of Rs..... will be added to the tender price, representing the capitalized cost of additional operating costs over the life of the plant using the methodology specified in the Technical Specifications OR

- (ii) Goods offered shall have a minimum productivity specified under the relevant provisions in Technical Specifications to be considered responsive. Evaluation shall be based on the cost per unit of the actual productivity of goods offered in the bid and adjustment will be added to the tender price using the methodology specified in the Technical Specifications.

24. Contacting the Purchaser

- 24.1 Subject to ITT Clause 21, no Tenderer shall contact the Purchaser on any matter relating to its tender, from the time of the tender opening to the time the Contract is awarded. If the tenderer wishes to bring additional information to the notice of the purchaser, it should do so in writing.
- 24.2 Any effort by a Tenderer to influence the Purchaser in its decisions on tender evaluation, tender comparison or contract award may result in rejection of the Tenderer's tender.

E. Award of Contract

25. Post qualification:

- 25.1 In the absence of pre-qualification, the Purchaser will determine to its satisfaction whether the Tenderer that is selected as having submitted the lowest evaluated responsive tender meets the criteria specified in ITT Clause 11.2 (b) and is qualified to perform the contract satisfactorily.
- 25.2 The determination will take into account the Tenderer's pursuant to ITT Clause 11, as well as such other information as the Purchaser deems necessary and appropriate.
- 25.3 An affirmative determination will be prerequisite for award of the Contract to the Tenderer-A negative determination will result in rejection of the Tenderer's, in which event the Purchaser will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform the contract satisfactorily.

26. Award Criteria

- 26.1 Subject to ITT Clause 28, the Purchaser will award the Contract to the successful Tenderer whose tender has been determined to be substantially responsive and has been determined as the lowest evaluated tender, provided further that the Tenderer is determined to be qualified to perform the Contract satisfactorily.

- 27.1 The Purchaser reserves the right at the time of Contract award to increase or decrease by up to 25 percent of the quantity of goods and services originally specified in the Schedule of Requirements without any charge in unit price or other terms and conditions.

28. Purchaser's Right to Accept any Tender and to Reject Any or All Tenders

- 28.1 The Purchaser reserves the right to have more than one supplier wherever it feels necessary. The Purchaser reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected Tenderer or Tenderers.
- 28.2 Vijayapur and Bagalkot District Milk Union reserves the right to recover the direct losses and consequential losses if any, arising out of usages of material supplied by the contractor. The recovery of loss could be from both the present pending/ future bills of the contractor OR from the Security Deposit submitted by the contractor.

Signature of Tenderer

29. Notification of Award

- 29.1 Prior to the expiration of the period of tender validity, the Purchaser will notify the successful tenderer in writing by registered letter or by cable/ telex or fax, to be confirmed in writing by registered letter, that is tender has been accepted.
- 29.2 The notification of award will constitute the formation of the Contract.
- 29.3 Upon the successful Tenderer's furnishing of performance security pursuant to ITT Clause 31, the Purchaser will promptly notify the name of the winning Tenderer to each unsuccessful Tenderer and will discharge its earnest money deposit, pursuant to ITT Clause 13
- 29.4 If, after notification of award, a Tenderer wishes to ascertain the grounds on which its tender was not selected, it should address it's request to the MD- Vijayapur & Bagalkote District Co-Operative Milk Union. The MD-Vijayapur & Bagalkote District Milk Union will promptly respond in writing to the unsuccessful Tenderer.

30. Signing of Contract

- 30.1 At the same time as the Purchaser notifies the successful tenderer that is tender has been accepted, the Purchaser will send the Tenderer the Contract Form provided in the tender documents, incorporating all agreements between the parties.
- 30.2 Within 21 days of receipt of the Contract Form, the successful Tenderer shall sign and date the Contract and return it to the Purchaser.

31. Performance Security

- 31.1 Within 21 days of the receipt of notification of award from the Purchaser, the successful Tenderer shall furnish the performance security in accordance with the Conditions of Contract, in the performance Security Form provided in the tender documents or in another form acceptable to the Purchaser.
- 31.2 Failure of the successful Tenderer to comply with the requirement of ITT Clause 30.2 or ITT Clause 31.1 shall constitute sufficient grounds for the annulment of the award and forfeiture of the earnest money deposit, in which event the Purchaser may make the award to the next lowest evaluated Tenderer or call for new tenders.

32. Corrupt or Fraudulent Practices
